RARECAT CHAMPAGNE

Vintage, Single-vineyard, Brut
Blanc de Blancs

We want to help you stand out and rise above the clutter. Giving this beautiful champagne will speak of your commitment to quality, innovation and diversity. This is the only champagne available from an American woman-owned winery.

RARECAT has crafted a house-style for our champagne inspired by Billecart and Bollinger with floral (lime tree flowers & honeysuckle), citrus (meyer lemon), white fruit (pear & green apple) bursting aromatics, warm brioche with a crisp bright finish and a complexity and ability to age that one expects from a prestige, vintage champagne. This rare beauty is the fruit of a very special partnership with the Gonet family who has been in the region for 500 years and owns 100 acres of estate vineyards.

RARECAT Champagne is sourced from a single vineyard, "Vinum Dei," with 30 year old vines, east-oriented with deep chalk sub-soils under 20 cm of organic matter.

When you offer RARECAT Champagne as a gift, you are giving something truly unique, a champagne that pairs quality, innovation, and diversity.
